

Regarding: Certificate of Hygiene - Air handling unit eQ - Registration no. HKP 02/13 - 01

Due to long lead times for certifications, renewed testing of the eQ Air handling unit have been delayed and are scheduled for 2019.

To be noted is that no changes have been made in the eQ design nor any of the critical components.

Therefore, we still comply with the regulations as tested and approved by ILH as enclosed Certificate which are:

- VDI6022, sheet 1 (04/2006)
- SWKI VA104-01 (04/2006)
- VDI 3803 (02/2010)
- ÖNORM H 6021 (09/2003)
- DIN EN 13779 (09/2007)
